Blood Drive Sponsors Save Lives

By sponsoring a blood drive, you are instrumental in saving many lives.

[REGISTER TO SPONSOR](#)

Benefits of hosting a **Company** blood drive:

-  Creating a favorable image in the community is good business.
-  It affords you the opportunity to express concern, civic pride and social responsibility.
-  By showing that you care about people, you are enhancing your corporate identity.
-  A blood drive promotes positive interaction between management and employees.
-  A blood drive gives your staff a chance to relate to one another on a more personal level, and enables employees from different departments to work as a team.
-  Planning a blood drive is an effective way to improve communication, organizational and leadership skills.
-  A company blood drive promotes volunteer service and teamwork.
